

TUES. 1/17/06

Hello Again TPOAM Members,

To those of you who attended the meeting on Tuesday, January 17 in the Library Meeting Room-----good to see you! And to the person who brought brownies: how very thoughtful you are.

The chance for everyone to assemble and talk was invaluable. In addition to holding the election for Tellers, the Officers and Committee Chairmen gave their reports, touching on the following points:

Chief Steward **Willie Craig** has been added to the Executive Board since his election by the Stewards at the October 17th Meeting.

Officers, especially Nancy and Kitty, have been attending many public meetings lately to stay informed on developments in the City's wage/benefit proposals.

Committees have started meeting. **Dave Blakeman** of the Advisory/Nominating Committee asks that members send copies of any contracts from other municipalities so that they can be checked for language/benefits that might be good for our contract.

Diana Peagler reported on the state of Negotiations with the City. There is still some way to go before a new contract is ready to present for your vote. The discussions continue, but the City has yet to develop its entire offer. In preparation, members should have a good understanding of their current benefits and pay attention to City Council developments. The most recent new benefit the Council has approved is the Retirement Health Savings (RHS) account.

Our new Tellers are: **Andrea Albanice, Peggy Chapman, Debra Flanagan, Patrice Matujec, Tera Moon, Keith Rosen, Linda Stanton, and Denise VanHee.** They will manage any elections we have.

We will continue to post things to our intranet site (type: tpoam on your City computer). **We heard you when you said that you wanted paper communications,** so this update is coming to you by office mail. **Also, don't forget to check the TPOAM intranet website regularly.**
