If you missed the Membership meeting on March 20, you missed a chance to hear about status of current contract negotiations from Diana Peagler (Negotiating Committee) and Wayne Beerbower (TPOAM Business Representative).

The City has only recently presented its full and complete proposal to us-----that's one reason why it's taken so long to get this far in negotiations.

TPOAM Negotiators still wait for a final draft from the city that states their proposal clearly, completely and accurately in one document.
